Events over the Summer

Several students performed at the Bradford Peverell fete at the beginning of the summer break. Everyone enjoyed it enormously including the impressive speed of the costume changes! We also provided two sets of dance displays at the Anonymous Festival. Despite dancing in the rain and cold our dancers put on a superb performance & even managed to smile, earning themselves a mention in the paper - Well done! Leanne ran several workshops over the summer - a tribute to Michael Jackson, choreography & street dance.

Our next show will be the first weekend in March 2010 at the Thomas Hardy School Theatre.
